Thank you for the interest you have expressed in taking a class at the Ah Haa School for the Arts. Funds and workstudy scholarships are available on a limited basis per course. Due to the overwhelming response to our scholarship program, we are only able to offer one scholarship per student per semester. We offer three semesters per year; summer, fall and winter.

In order for us to make a decision based on our guidelines, please answer the following questions:

1. What is your professional background?
2. How will this course(s) benefit you, personally and/or professionally?
3. Please indicate your reasons for the necessity of a scholarship (unemployed, single parent, fixed income, disability, other).
4. Do you own a home in the Telluride region?
5. Do you own any additional property anywhere?
6. Annual household income?
7. Do you receive scholarships from any other organizations? For what? Which organizations?
8. Do you have outstanding debts/mortgage?

The Ah Haa School is a nonprofit organization. Part of our mission is to ensure that no student is turned away from our classes for financial reasons. Our scholarship program is open to any child or adult in need of assistance. This program is based largely upon the honor system. Please help us insure the future of scholarship funding by honestly and carefully filling out this application. Thank you!
