Workstudy students can earn \$15 per hour credit towards their tuition. The student will work a total of _____ hours in exchange for tuition, or partial tuition. No credit may be earned for the cost of class materials. All materials fees and costs must be paid for on the signing of this contract or by the first day of class. The student's workstudy hours must be completed by the last day of the class. If the hours have not been completed by the last day of class, the student must pay the balance due. As a workstudy student of the Ah Haa School, it is expected that you will be on time, responsible and considerate.
